## 1. CUSTOMER AREA: WHAT IS THE PURPOSE?

The CLIENT AREA allows you to:

- Create products and services to monetize click on Add Product and follow the instructions: Adding sites added products, the method of payment choice.
- Embedd the generated script in the site to make paid products and services.
- If a user wants to access to the webmaster monetized product page, he must purchase access codes with price and number are consistent with the configuration of the product purchase Webmaster.
- Once the code is purchased by the user via SMS and validated instantly by TrickPay, the user accesses the desired product.
- The amount of outpayment of transaction will be automatically added to the account TrickPay webmaster.
- ....

## 2.CONNECTION

To access to your account, you have to enter the name of your client space <http://www.trickpay.com/>  
Enter your login (email and password login password) and confirm.

The screenshot displays the TrickPay website's customer area. At the top, a navigation bar includes links for Home, Merchant, Trickpay, Shares, About us, FAQs, and Contact us, along with Registration and My account. The TrickPay logo is prominently displayed on the left. To the right, there are social media icons and flags for France, Germany, and the UK. The main content area features a large image of a hand holding a smartphone with an envelope icon on the screen. Below this image, the text reads 'TrickPay Micro payment' and 'An SMS micropayment solution for making your websites and mobile APPS profitables.' To the right of the image, there are two blue buttons: 'Sign up' and 'Calculate your outpayments'. Below these buttons, there is a 'Sign in' section with input fields for 'E-mail' (containing 'sanabbes85@gmail.com') and 'Password' (masked with dots). A 'Forgot your password?' link is also present. At the bottom of the sign-in section is a 'Login' button. Below the login section, there is a link that says 'not yet registered? register now.'.

Once logged in, the Home page of the solution will appear:

## 5.PRODUCT

This section allows you to:

- Create Websites.
- Edit products for an existing website or for a new Website.
- View list of websites for a specific period.
- View list of products and edit them by :
  - Change a product: name, purchase URL, error URL, and mode of payment.
  - Delete a product.
  - View script.
  - Generate free codes.
  - View Test Code.
- View codes list associated to a product, a website, there gains and purchase dates.

The screenshot shows the TrickPay customer area. The top navigation bar includes links for Home, Profile, Product (highlighted with a red box), Balance, Stats, and Support. On the right, it says 'Welcome abbes sana' and 'Client No : 231'. Below the navigation bar, there are tabs for My Sites, My Products, Add Product, and My Codes. Four green callout boxes provide instructions: 'Create websites and view list of sites for a specific period.' points to the My Sites tab; 'View the list of products.' points to the My Products tab; 'Add a product to a website' points to the Add Product tab; and 'View the list of codes used.' points to the My Codes tab. The main content area displays financial statistics (Estimated Incomes, Total Withdrawals, Estimated Balance), a 'Top 5 Products' section with a pie chart, and a search form with Start Date, End Date, and Keyword fields. A green 'Search' button is at the bottom of the search form. At the bottom right, there are 'Add Site' and 'Add Product' buttons. A footer at the bottom states 'Copyright TrickPay © 2011 - 2013, All Rights Reserved - Landolsi Telecom Technology - L2T'.

Displaying payment kit

**Visualize the payment kit**

The image shows a web interface for TrickPay, a micropayment solution. At the top, the logo "TrickPay" is displayed in red and black, with "Micropayment solution" in smaller text to its right. Below the logo, a grey banner contains the text: "To buy content/product , please click on your country flag and follow instructions,". Underneath this banner, the text "click on your country flag and followed the instruction" is shown. To the right of this text are two flags: the Turkish flag (red with a white crescent and star) and the flag of the Central African Republic (green, white, and red vertical stripes). A red arrow points from the text "click on your country flag" towards the flags. A green callout bubble with a white border points to the Turkish flag and contains the text: "Generate paying code by clicking on the flag." Below the flags, the text "Please enter access code" is displayed. Underneath this text is a label "Code 1" followed by a text input field. Below the input field is a grey button with the text "Buy". At the bottom of the interface, a grey footer bar contains the text: "Customer service customer@trickpay.com" and "TrickPay: micropayment solution - [www.TrickPay.tn](http://www.TrickPay.tn)".

Purchase a test code where the product is created by a URL of the notification.

**NB:**

**If** the purchase is made successfully, the customer will be redirected to the url of purchase or a green notification will popup.

**If not**

Redirect to URL error or display a notification in red.

**NB:**

Generate paying code:

- ✓ The User send an SMS containing service code, the service number that is displayed by clicking on the appropriate country flag .
- ✓ The code will be retrieved into the appropriate text field.
- ✓ If the user has not used his code remains valid.

**NB:**

A test code is always related to a product and is used only for the purchase of this product.
